We have exciting openings for a Senior Lecturer and a Senior Lecturer/Reader in Basic Sciences to join the Department of Comparative Biomedical Sciences at our Camden campus.

The posts are suitable for research-focused academics with a basic science, biomedical, veterinary or medical background. The successful applicants will have proven track-records of REF-returnable publications and funded research teams working in an area that aligns with the College's existing research strengths in Comparative Physiology and Medicine (see link at <https://www.rvc.ac.uk/research/programmes>).

Applicants should also be enthusiastic teachers and will contribute to the delivery and development of our undergraduate and postgraduate programmes.

Prospective applicants wishing to discuss the position(s) informally should contact the Head of Department, Professor Caroline Wheeler-Jones, by email in the first instance: [cwheeler@rvc.ac.uk](mailto:cwheeler@rvc.ac.uk).
